## Welcome to ASTICON 2024

Dear Colleagues,

We are pleased to share that we are hosting the 48th National Conference of Indian Association of Study of Sexually Transmitted Diseases and AIDS (IASSTD & AIDS) - ASTICON 2024 on 29<sup>th</sup>, 30<sup>th</sup>, 31<sup>st</sup> August and 1<sup>st</sup> September, 2024 at New Delhi, India.

This conference is a unique event where all physicians involved in management of STIs and HIV, including dermatologists, venereologists, gynaecologists, microbiologists, epidemiologists and government representatives and policy makers, get together to update their knowledge, present their research and discuss the current Indian and global scenario of HIV and STDs and brainstorm and come out with useful suggestions for STI and HIV control and management.

It also promotes research presentation and learning of postgraduates of the above specialties. The focus of this conference would be discussion of recent advances including in diagnosis, control and prevention of STIs and practical clinical case based learning.

New Delhi, the capital city of India is the host city for ASTICON 2024, is a modern metropolitan city that lends itself to diverse experiences. We have modern architecture like the new Parliament, Bharat Mandapam and a rich legacy of monuments from the Delhi Sultanat and Mughal dynasties. There are bustling street markets and swanky malls for shopping and a culinary experience that amalgamates the cuisine from Pan-India. We hope that in addition to academics you would also experience New Delhi at its best.

On behalf of the Indian Association of Study of Sexually Transmitted Diseases and AIDS we invite you to join us for an academically rich event.

We look forward to your participation and support.

Regards,

**Dr Deepika Pandhi**  
Organising Chairperson

**Dr Chander Grover**  
Organising Secretary

**Dr Vineet Relhan**  
Treasurer

**Dr Niti Khunger**  
Chairperson Scientific Committee

**Dr Shikha Bansal**  
Secretary Scientific Committee
